ABOUT ME

I am a student of Microcomputer Systems and Networks (SMIX). I am a responsible, punctual, and organized person. I pay attention to small details and I always try to do my best.

I can use basic computer programs like Word, Excel, and email. I learn new tools quickly and I follow instructions carefully. Also, I enjoy working with other people and I listen to others. When there is a problem, I stay calm and I work hard to find a good solution.

My goal is to learn more and study Cybersecurity in the future.
